

Anti-Ragging Committee

According to UGC rules, ragging is defined as any physical or mental harassment, including bullying, exclusion, and harassment related to personal characteristics or background, verbal abuse, coercive activities and cyber-bullying.

The required affidavit (available at antiagging.in) includes promises not to participate in, support or encourage ragging and acknowledges that offenders will face punishment under Section 9.1 of the UGC rules.

Institutions should prominently display strong statements like “Zero Tolerance Policy,” “Ragging is a crime of understanding,” and “Be a mentor, not a tormentor.” Violations can result in suspension, dismissal, fines up to ₹1 lakh, and ban from exams or hostel accommodation.
