

## Internal Complaint Committee

Anti-ragging messaging and banners often emphasize the importance of fostering a zero-tolerance and inviting environment. They hope to educate students about the serious implications of harassment and provide contact information for reporting incidences.

"Stop Ragging, Protect Students".

"Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of color, race, religion, caste, ethnicity, gender, sexual orientation, appearance, nationality, or regional origin".

"Ragging is strictly prohibited in and around the campus and hostel".
