Mission

Be the most preferred choices of students, faculty and industry. Be in the top 10 in every discipline of Education, Engineering and Managements. Bharat Institutes of management Studies shall be an innovative, entrepreneurial & empowered team, constantly creation values and attaining global benchmarks. It shall foster a culture of continuous learning while meeting expectations of students, parents and society.

Vision

Global Leadership in human development excellence in education and healthcare. To develop human resources with high employability skills to meet the challenges of rapidly growing technical advancements, and to minimize the gap between education and industry by providing world class technical education.

Student Counseling

Student counseling the current procedure of student counseling involves immense faculty involvement. Twenty students are allotted to each teacher and the teacher is in continuous contact with those students. A monthly formal meeting is also organized with the students and the counselor whereby every problem is discussed and sorted. The counselor tries to resolve the issues by him/herself but can also raise the issue to the counseling head in case of difficulty. Student counseling ensures satisfaction of the students pertaining to various academic and non-academic activities. The students are also encouraged and motivated to perform various activities and explore their talent.

Suggestion Box

A suggestion box, which is permanently placed in the library and administrative office area of the institute, is an open way of communication by the students with the higher officials; Students can communicate their routine problems, feedback and queries without mentioning their names. The suggestion box being scrutinized by the head of the institute on monthly basis. Committee headed by the Principal and all HODs of the institution are taking care for successful completion of student counseling process and implementation of student suggestion.

Grievance redressal mechanism for faculty, staff and students

Committee headed by the principal and all HODs of the institution are taking care for successful implementation of the student's feedback. The same committee is authorized for the implementation of grievance redressal system at the institution level. The student counseling system is being implemented. The committee ensures regarding organization of regular department level and entire staff level meetings to solve the problems and grievance on a common ground.
